### REMARKS

Claims 1-10 remain in the application. Claims 1-4,9 and 10 have been amended as indicated above.

Claims 1, 2, 4 and 10 have been rejected under 35 U.S.C. 102(b) as being anticipated by Florence. Applicants respectfully request reconsideration of the rejection in view of the above amendments which further limit the claims to include limitations neither shown nor suggested by Florence.

Claims 3, 6, 8 and 9 have been rejected under 35 U.S.C. 103(a) as being unpatentable over Florence in view of Lai. Applicants respectfully request reconsideration of the rejection in view of the above amendments which further limit the claims to include limitations neither shown nor suggested by either Florence or Lai, or any combination of the teachings thereof.

Claim 7 has been rejected under 35 U.S.C. 103(a) as being unpatentable over Florence in view of Harskamp. Applicants respectfully request reconsideration of the rejection in view of the above amendments which further limit the claims to include limitations neither shown nor suggested by either Florence or Harskamp, or any combination of the teachings thereof.

Claim 5 has been rejected under 35 U.S.C. 103(a) as being unpatentable over Florence in view of Song. Applicants respectfully request reconsideration of the rejection in view of the above amendments which further limit the claims to include limitations neither shown nor suggested by either Florence or Song, or any combination of the teachings thereof.

Applicants have reviewed the Smith and Alsleben references cited as of interest but assert that such references fail to show or suggest any subject more relevant than the cited references.

Having so amended the claims, Applicants submit that the application is now in condition for allowance and respectfully request an early allowance.

Respectfully submitted,

BUCHANANINGERSOLL & ROONEY LLP
